

PHOTOBOOKS

There are plenty of places which print PHOTOBOOKS in Australia. Have a look on the internet to choose one which suits your needs.

Here are some pointers to assist you with your choice:

- Compare prices - price per page, price of hard cover etc.
- Can you choose a dust jacket for the book?
- How much does the dust jacket cost?
- Compare formats ie different layouts and sizes of books.
- Can you add text to your book?
- Do they have discount for multiple copies?
- What is the quality of the paper they use?
- Is the software easy to download?
- Is the software easy to use?
- Is the software free?
- Do they provide FAQ's on their website?
- Do they have examples of other people's work which give inspiration?
- Check to see whether they have Customer Support via email or phone number so you can contact the organisation if you have any queries or problems.
- Check the cost of freight.
- How long does it take for your order to be completed?
- How soon do you get your order after it is posted to you?
